CAMP FAMILY REFERRAL REBATE CERTIFICATE

Give this certificate to any new family (family must not have attended Red Robin School or Camp programs in the past). When the referred family presents this certificate, the referral will be credited to your account. Once the family pays tuition in full, you will receive either a \$100 check or a \$100 credit toward your child's camp tuition for the summer of referral only (one \$100 rebate per family referred). \$100 referral rebates are unlimited, but referred families **must** present this official referral rebate certificate at the time of registration.
